Dear Families

What a wonderful week York Road has had.

Choral Concert

Some of yr 5&6 performed in a choral festival on Tuesday 15th at The Orchard. It was AMAZING. Not only did the children perform brilliantly, and sound fantastic, their behaviour was excellent. They really did us proud. Thank you to the parents for their support and well done to those children involved especially Lewis who overcame his nerves to sing solo.

Mrs Hall

Literacy Challenge

Our team of four children, Ben, Leela, Bethany and Caleb, went to Swan Valley school to take part in the Literacy Challenge with other primary schools. Our previous best score was third, but WE WON! We have a beautiful trophy to display and are very proud of the children's achievement.

Attendance

95.6% this week HOORAY! Well done everyone, particularly Vikings and Saturn who achieved 100%. Fantastic!

World Cup Lunch

This will be on 9th July (not the 8th as stated in the leaflet).

Y6 Photograph

The year 6 photograph will be taken on Tuesday 22nd June at 9.30 a.m. and the photographer has asked that the children wear their sweatshirts/fleeces.

School Fleeces

These have now arrived in school.

Apologies

Y6 had a shortened visit yesterday to Cobham Hall school for their Safety in Action afternoon due to a combination of circumstances including the coach turning up late! We are sorry that the children did not have as long as planned and will try to make amends by giving out the DVD of the Y6 performance at cost price.

Book Fair

The Book Fair will be in school from Monday 28th June for one week and will be open for families from 3.15 – 3.45p.m. each afternoon.

Language Unit

We have received a letter from Rosalind Turner, Managing Director of Schools, assuring us that the Language Unit will continue in its present form. This is welcome news for us and all the families concerned.
